

Book 6: Progress Lesson (Midway)

Tasks

Student: Complete the four tasks below.

Teacher: Note down corrections in the lesson notes, then fill in the evaluation form after all the tasks have been completed.

Chapter 13: Entertainment

Role-play:

Your teacher needs a recommendation for things to do in their free time. Find out what they like to do for entertainment, and recommend some things. Explain why you are recommending those things.

Chapter 14: Conservation

Interview:

Interview your teacher about "green" living. Find out what they do personally, what they wish they could do, and any tips they might have.

Chapter 15: Money

Opinion exchange:

Can money buy happiness? Discuss this question with your teacher. Explain your reasoning.

Chapter 16: World in danger

Speech:

Talk about natural disaster preparedness. What are some things people should do? What should people do during a disaster? How do you stay prepared?
