My name is Mark Smith. I'm 38, I'm from New York and I'm a car salesman. I work at Mega Motors in Tokyo. Every day I start work at 8:00 am, and I finish at 6:30 pm.

I live in an apartment in Akabane with my wife. My apartment is very convenient. There are two nice cafes across the road, and there is a good restaurant next to my apartment. I eat dinner at that restaurant once or twice a week.

My wife's name is Susan. She is 37. She is a manager at a bank. We both love living in Japan, but we don't like winter or summer. In winter it is very cold, and in summer it is very hot and humid.
