The other day, Ben and I went to the movies to see "The Adventures of Noel and Mogu". Ben called me at around 1:00 and I was a little annoyed to hear he was running late. I got a little angry because I'm not accustomed to waiting for people. The longer I waited, the angrier I got.

After he finally arrived, we bought our tickets and sat down in the cinema. The movie was very exciting, but halfway through the movie I was shocked when Ben pulled out his phone and started talking to his girlfriend.

The person sitting next to me was surprised as well. I told him that he was not to use his phone in the cinema. He simply replied that he didn't know he wasn't supposed to talk on his phone during the movie. I didn't believe him. Even my kids know not to use their phones at the movies.
