Hi I'm Blake. I have lots of hobbies. In my free time, I really like playing paintball. My friends also like playing it. We usually play once a month. It's a little expensive, but it's a lot of fun. Everyone loves shooting at their friends, but no-one likes getting hit. Getting hit really hurts. There are no fields near my house so we need to travel for about 1 hour every time we play.

Another one of my hobbies is hockey. I just love playing hockey. I play hockey every Friday. There are two main types of hockey: grass hockey and ice hockey. I usually play ice hockey in winter and grass hockey in summer. I also really like watching hockey. My favorite team is the "Anaheim Ducks". They are usually a very good team. My brother likes watching hockey too. His favorite team is the "Boston Bruins". Watching the "Ducks" play the "Bruins" is stressful, but very exciting.

I also like going to the beach. We usually go to the beach once a month in summer. I really enjoy lying down on the sand and watching my children play in the water. Both my kids and I love building sand castles. Well... I like building them, but my children love destroying them. My kids also love eating ice cream. Every time we go to the beach my kids ask me to buy them ice cream. My favorite flavor is rocky road. My son likes chocolate, and my daughter's favorite is vanilla.

My son really enjoys collecting cards. He has a lot of Pokemon, Yugio and Gundam cards. He likes putting his cards in a big album and showing them to his friends. His friends also like collecting cards. His friend James has a very big collection. I think James has 200 or 300 cards, but my son only has about 50 cards.

My daughter enjoys watching TV. Sometimes, I watch TV with her. We like watching "The Happy Monkey" and "Noel Street". Watching TV with my daughter is lots of fun. My daughter also likes drawing. She is very good at it. She likes drawing animals and airplanes.

Hmm, what don't I like doing? Well... I really hate waking up early. I usually wake up at 9:00. I really enjoy staying in bed for an extra few minutes or so before I wake up. Also, I don't really like doing housework. I don't mind doing the washing up, but I really hate vacuuming the house. Oh! And I really can't stand changing my daughter's diapers. They stink!
