Read the passage and circle the new words as you find them

Hi I'm Shanon. I'm an exchange student. Currently, I'm living in Canada for a year. It's so much fun. I'm in a small class and I really like my classmates, but everyone is quite unique. Let me tell you about them. The people in my class are: Sam, Kate, Claire, Peter, Doug, Nathan, Nick, and Lisa.

Sam is the student council rep. He is very honest & polite. He plays soccer on the school team, so he is in shape. Also, all the girls in the class like him, because they think he is really handsome.

Kate and Claire are a little chubby, but they are really clever. They always come first and second in all of our class tests.

Lisa is beautiful. I think she is really sexy. She is also really generous. She is always lending people things.

Peter is average height, but he works out every day, so he is quite ripped. He has giant biceps and he loves showing off his six pack.

Nathan is tall and thin. He loves doing martial arts, so he is quite tough. Nathan has 2 black belts. One is in Taekwondo, and one is in Hapkido. He really likes Korean martial arts. In class, Nathan is very easy going, but at the dojo he is very serious.

Doug is really lazy, he always come to school late, and he never does his assignments. He spends a lot of his time just watching TV and playing video games. Doug is a real couch potato.

Nick never studies and he always fails tests. I think Nick is stupid. Nick is also a little out of shape. I think he needs to hit the gym or play some sports instead of just watching TV all day like Doug.

Our teacher Mr. Herrington is really strict. He gives us homework every day and he always checks our homework at the start of the lesson. Mr. Herrington is middle aged, and a little out of shape. Also, he's bald, but he has a really big moustache. I think his moustache is weird. Sometimes I think he looks like Dr. Robotnic from Sonic the Hedgehog.
