Hi, I'm Will. I'm going to go on holiday this year, but I can't decide where to go. I talked to my friends, and I got a lot of holiday brochures. Can you help me to decide?

Maybe I'll go to Italy. My friend Dominic went to Italy last year. He visited Milan, Florence, Rome and Naples. The food sounds delicious. I love eating pasta, and I really like eating pizza. Look at this picture. There are many famous sights in Rome. The Colosseum looks so cool and interesting. The traffic in Rome sounds terrible, though!

How about America? My friend Zach lives in New York. I might visit him. Zach always talks about New York. It sounds really interesting. I have a brochure here. The Statue of Liberty looks interesting, and Central Park looks like a fun place to go. Here are some pictures of the food. New York pizza looks delicious, and this looks like an enormous hamburger. Hmm, maybe American food isn't so healthy.

I might go to China. One of my classmates, Richard, went to Beijing last year. He told me about his holiday. Beijing sounds like a very crowded and polluted city, but the Great Wall sounds like an interesting sight. I might go to Beijing, or I may go to Shanghai. Look at this picture. All the restaurants in Shanghai look amazing.

Or I may go to Korea. I have never tried Korean food, but I saw some pictures of it online and it looks really spicy. I love spicy food. So, I think I'll really like Korean food. Also, the same website had lots of pictures of Seoul. Seoul seems like a really cool place to visit. There are lots of great places to shop and lots of interesting places to visit. The website always had some information about the Korean language. At first, it seemed really hard, but actually it's quite easy.

Perhaps I'll go to Japan. I have a friend, Taro. He lives in Yokohama. Yokohama sounds like an interesting city. It has a big port and a very tall Ferris wheel. Look, here is a picture. It looks beautiful, doesn't it? What an amazing view! Taro also told me about Kyoto. It sounds like a very beautiful and traditional city. I do like visiting temples, and I love Japanese food. What do you think? Does it sound like a good idea?
